Santorini is totally unlike any other place on earth. The original circular island was blown apart nearly 3.000 years ago by a fierce volcanic eruption. Today one can only look and wonder at the beauty created by natural destruction. The island of the lost civilization of Atlantis, where you can see unforgettable sunsets and panoramic views... thus the lover's paradise. The town of Fira's whitewashed houses, narrow streets, open-air cafes and glittering boutiques cling to a steep cliff, accessible by cable-car or by donkey ride.
